

You're right! Let me look at the complete flow and see what's missing. Actually, we have Mission 4 fully defined with Quests 1-5. Let me map it out clearly:

Complete Program Flow (All Missions)

MISSION 1: Beg. Borrow. Steel.

Big Question: "Am I ready to start?" Estimated Time: 14 days

Quest 1: The New Beginning *Objective: Define your "why," make a commitment, and surface your fears.*

| — **Task 1.1: Why Start?** (*standard-form*) | — Save to: `profiles.motivations` | —
Task 1.2: Commit to the Journey (*standard-form*) | — Save to: `profiles.commitment` |
| — **Task 1.3: Roadblocks** (*standard-form*) | — Save to: `profiles.roadblocks`

Quest 2: What You've Got *Objective: Inventory your network and skills. Realize you're not starting from zero.*

| — **Task 2.1: Map Your Network** (*standard-form*) | — Save to:
`profiles.social_footprint` | — **Task 2.2: Skill Inventory** (*standard-form*) | — Save to:
`profiles.skills`

Quest 3: Start Asking *Objective: Build the habit of asking—starting with safe asks and building up.*

| — **Task 3.1: Build Your Squad** (*off-task-action*) | — Save to: `user_contacts` (category: "squad") | — **Task 3.2: Say Hello** (*standard-form*) | — Save to: Community post | —
Dependencies: Task 1.1 | — **Task 3.3: Ask for Something** (*log_counter - 1 ask*) | — Save
to: `user_progress` (*log_data*) | — Dependencies: Task 3.1 | — target_count: 1

Quest 4: No Is Just Data *Objective: Deliberately seek rejection to build resilience and reframe "no" as feedback.*

| — **Task 4.1: Practice Getting Nos** (*log_counter - 2 nos*) | — Save to: `user_progress` (*log_data*) | — target_count: 2 | — **Task 4.2: The Bold Ask** (*log_counter - 1 bold ask*) | —
Save to: `user_progress` (*log_data*) | — Dependencies: Task 4.1 | — target_count:
1 | — **Task 4.3: Rejection Mastery** (*standard-form*) | — Save to: `user_progress` (*reflection*) | — Dependencies: Task 4.2

MISSION 2: Discovery

Big Question: "What problem should I solve?" Estimated Time: 21 days

Quest 1: Mine Yourself *Objective: Uncover problems from your own frustrations and skills.*

└─ **Task 1.1: Spot Your Frustrations** (*observation-form*) | └─ Save to: `user_observations` | └─ `observation_reference: { reference_table: "user_opportunities", category: "personal_problems" }` | └─ **Task 1.2: Turn Frustrations Into Opportunities** (*standard-form*) | └─ Save to: `user_opportunities` | └─ `source_type: "personal_problems"` | └─ `Dependencies: Task 1.1` | └─ **Task 1.3: Audit Your Skills** (*observation-form*) | └─ Save to: `user_observations` | └─ `observation_reference: { reference_table: "user_opportunities", category: "skills" }` | └─ **Task 1.4: Skills as a Business** (*standard-form*) | └─ Save to: `user_opportunities` | └─ `source_type: "skills"` | └─ `Dependencies: Task 1.3`

Quest 2: People Watching *Objective: Identify problems in your immediate circle—friends, family, colleagues.*

└─ **Task 2.1: Be a Detective** (*observation-form*) | └─ Save to: `user_observations` | └─ `observation_reference: { reference_table: "user_opportunities", category: "zone_of_influence" }` | └─ **Task 2.2: Spot the Opportunity** (*standard-form*) | └─ Save to: `user_opportunities` | └─ `source_type: "zone_of_influence"` | └─ `Dependencies: Task 2.1`

Quest 3: The Wider World *Objective: Discover problems beyond your immediate circle—online communities, trends, and marketplaces.*

└─ **Task 3.1: Search the Communities** (*standard-form*) | └─ Save to: `user_opportunities` | └─ `source_type: "broader_search"` | └─ **Task 3.2: Ride the Trends** (*standard-form*) | └─ Save to: `user_opportunities` | └─ `source_type: "broader_search"` | └─ **Task 3.3: The Marketplace Scanner** (*standard-form*) | └─ Save to: `user_opportunities` | └─ `source_type: "broader_search"`

Quest 4: The Decision *Objective: Score, rank, and commit to one opportunity.*

└─ **Task 4.1: Score Your Opportunities** (*standard-form*) | └─ Save to: `user_opportunities.assessment` | └─ `Uses OpportunityAssessment schema` | └─ **Task 4.2: Pick Your Opportunity** (*standard-form*) | └─ Save to: `user_opportunities.status = "selected"` | └─ `Dependencies: Task 4.1` | └─ **Task 4.3: Make It Official** (*standard-form*)

└ Save to: `projects` (new project) OR `user_opportunities` (keep searching) └
Dependencies: Task 4.2 └ Options: Finalize → Create project, or Discover More

MISSION 3: Getting Real

Big Question: "Is this business worth building?" Estimated Time: 21 days

Quest 1: The Deep Dive *Objective: Understand your problem from a solution/business perspective.*

└ **Task 1.1: Define the Problem** (standard-form) | └ Save to:
`user_projects.problem_hypothesis` | └ **Task 1.2: Talk to Customers** (*log_counter* - 5
interviews) | └ Save to: `user_projects.validation_data` | └ *target_count*: 5 | └
Dependencies: Task 1.1 | └ **Task 1.3: Create Your Customer** (standard-form) └ Save
to: `user_projects.customer_personas` └ Dependencies: Task 1.2

Quest 2: Build to Sell *Objective: Define your Minimum Sellable Product—the smallest thing you can sell right now.*

└ **Task 2.1: How Will You Solve It?** (standard-form) | └ Save to: `user_projects.msp` |
└ Dependencies: Task 1.3 | └ **Task 2.2: Define Your MSP** (standard-form) | └ Save
to: `user_projects.msp` (updates) | └ Dependencies: Task 2.1 | └ **Task 2.3: Build Your
MSP** (standard-form) └ Save to: `user_projects.msp` (updates) └ Dependencies: Task
2.2

Quest 3: Know the Battlefield *Objective: Understand the competitive landscape, trends, and compliance requirements.*

└ **Task 3.1: Map the Landscape** (standard-form) | └ Save to:
`user_projects.landscape` | └ Dependencies: Task 2.3 | └ **Task 3.2: Check Your
Compliance** (standard-form) └ Save to: `user_projects.compliance_checklist` └
Dependencies: Task 3.1

Quest 4: Go or No-Go *Objective: Make a conscious decision about whether to pursue this business.*

└ **Task 4.1: Check Your Viability** (standard-form) | └ Save to:
`user_projects.viability_check` | └ Dependencies: Task 3.2 | └ **Task 4.2: Face the
Worst Case** (standard-form) | └ Save to: `user_projects.viability_check` (updates) |
└ Dependencies: Task 4.1 | └ **Task 4.3: Make the Call** (standard-form) └ Save to:

`user_projects.viability_check` (final decision) | Dependencies: Task 4.2 | AI Recommendation generated

MISSION 4: The Business Engine

Big Question: "How will you make money?" Estimated Time: 21 days

Quest 1: Shape Your Offer *Objective: Define exactly what you're selling—your promise, features, and delivery experience.*

| — **Task 1.1: Your Promise** (standard-form) | | — Save to: `user_projects.value_prop` |
| — Dependencies: Mission 3 complete | | — **Task 1.2: What's In, What's Out** (standard-form) |
| — Save to: `user_projects.features` (brain dump, priority = null) | | —
Dependencies: Task 1.1 | | — **Task 1.3: Pick Your Focus** (standard-form) | | — Save to:
`user_projects.features` (updates priority field) | | — Dependencies: Task 1.2 | | — **Task**
1.4: The Journey (standard-form) | — Save to: `user_projects.customer_experience` | —
Dependencies: Task 1.3

Quest 2: Price It Right *Objective: Set a price based on value, not just cost.*

| — **Task 2.1: Name Your Number** (standard-form) | | — Save to: `user_projects.pricing`
(setting) | | — Dependencies: Task 1.4 | | — **Task 2.2: Test Your Price** (standard-form)
| — Save to: `user_projects.pricing` (assessment) | — Dependencies: Task 2.1

Quest 3: Find Your Customers *Objective: Build a focused, actionable acquisition plan.*

| — **Task 3.1: Pick Your Channel** (standard-form) | | — Save to:
`user_projects.customer_acquisition` (channel) | | — Dependencies: Task 2.2 | | — **Task**
3.2: Craft Your Message (standard-form) | | — Save to:
`user_projects.customer_acquisition` (message) | | — Dependencies: Task 3.1 | | —
Task 3.3: Assess Your Plan (standard-form) | — Save to:
`user_projects.customer_acquisition` (assessment) | — Dependencies: Task 3.2

Quest 4: The Financials *Objective: Understand your costs, analyze the math, and check profitability.*

| — **Task 4.1: What Does It Cost?** (standard-form) | | — Save to:
`user_projects.financial_blueprint.costs` | | — Dependencies: Task 3.3 | | — **Task**
4.2: Understand Your Costs (standard-form) | | — Save to:
`user_projects.financial_blueprint.cost_analysis` | | — Dependencies: Task 4.1 | | —

Task 4.3: Does the Math Work? (*standard-form*) └ Save to: `user_projects.financial_blueprint.profitability` └ Dependencies: Task 4.2

Quest 5: Go or No-Go *Objective: Make a final decision based on the numbers.*

└ **Task 5.1: Make the Call** (*standard-form*) └ Save to: `user_projects.financial_blueprint.decision` └ Dependencies: Task 4.3 └ AI Recommendation generated

MISSION 5: Build & Launch

Big Question: "Can you actually build this?" Estimated Time: 30 days

Quest 1: Plan the Build *Objective: Set up your timeline, resources, and build plan.*

└ **Task 1.1: Plan Your Timeline** (*standard-form*) | └ Save to: `user_builds.timeline` |
└ Dependencies: Task 4.1 | └ **Task 1.2: What Do You Need?** (*standard-form*) | └
Save to: `user_builds.resources` | └ Dependencies: Task 1.1 | └ **Task 1.3: Build Your Checklist** (*standard-form*) └ Save to: `build_tasks` (auto-generated + custom) └
Dependencies: Task 1.2

Quest 2: Build Dashboard *Objective: Use the dashboard to manage your build until you have something testers can test.*

└ **Task 2.1: Build Dashboard** (*dashboard-view - continuous use*) └ Save to: `user_builds.progress` (auto-updated) └ Dependencies: Task 1.3 └ POC Ready: Yes/No (auto-calculated)

Quest 3: Get Testers *Objective: Recruit, onboard, and collect feedback from testers.*

└ **Task 3.1: Find Your Testers** (*standard-form*) | └ Save to: `user_builds.testing` and `user_contacts` (category: "tester") | └ Dependencies: Quest 2 (POC ready) | └ **Task 3.2: Onboard Your Testers** (*standard-form*) | └ Save to: `user_builds.testing` | └
Dependencies: Task 3.1 | └ **Task 3.3: Collect Feedback** (*standard-form*) └ Save to: `user_builds.testing` └ Dependencies: Task 3.2

Quest 4: Validate & Tweak *Objective: Based on tester feedback, validate your product and make adjustments.*

└ **Task 4.1: Validation Check** (*standard-form*) | └ Save to: `user_builds.progress` |
└ Dependencies: Task 3.3 | └ **Task 4.2: Final Tweaks Plan** (*standard-form*) └ Save

to: `user_builds.progress` └─ Dependencies: Task 4.1

Quest 5: Launch *Objective: Launch your product to the world.*

└─ **Task 5.1: Launch Checklist** (*standard-form*) | └─ Save to: `user_builds.decision` |
└─ Dependencies: Task 4.2 | └─ **Task 5.2: Launch Decision** (*standard-form*) └─ Save
to: `user_builds.decision` and `user_projects.status` └─ Dependencies: Task 5.1 └─
